

## Commodores Report AGM Dec 2001

This past year must be the best we have had since the change of name and amalgamation of the club. My Committee and members have been the big contributors in making this a successful year.

We have all worked well together and due to this it has been so successful.

To my Committee: Bossie, Dick, Jason, Jaap, Jimmy, Brett, Kees and Mike thanks guys I appreciated all you did, big or small you were always there when I needed you.

I think the balance sheet says it all by itself and thank Dick for his efforts in making this a **very successful** financial year, and as you can see, he let us spend some money on much needed maintenance.

The committee has already got the wheels in motion for a bigger Fishing Bonanza next year and once again Shelly Beach being awarded the Junior Nationals in July.

I thank Stan Walter for assisting with safety so far as theory exams, which also brings new members and assists us financially.

To Brenda our clubs secretary, I don't know how, to thank you. You have brought more meaning to me when running the affairs of the club. No task is too hard; you always keep ahead of us and make it a pleasure to work with you.

To Sonny and Gary in the Bar: you guys have done wonders again by keeping the members well lubricated, and at the same time being Marriage Councilors, Politicians, Financial Advisers, Lawyers, The Weather Bureau, Mom and Dad and even sometimes Personal Drivers. We appreciate all the work you do for the club, which does not go unnoticed.

Victoria who sometimes makes miracles in the kitchen I thank you for the effort you always display in your duties and in the feeding of the hungry which is not always easy.

One thing we must remember is our **Sponsors** and cannot thank them enough, and ask you the member to please support our Sponsors.

I wish all the luck to the incoming committee and trust the wheels of success will keep on turning for the Club

I wish you all a Merry Xmas and Prosperous New Year.
