

Commodore's Report – AGM 2002

Mr Gets thanked the Committee for all their hard work and commented that the Club is once again a popular place. Our anglers are doing well. Special thanks to Mr Bosman for all his assistance but who unfortunately is stepping down from the Committee.

Mr Gets thanked all those involved in selling raffle tickets, he also thanked Mr Dorfling and Mr Reiger for their work in fixing up the Clubhouse.

Mr Gets stated that he is very proud of the staff for all their hard work especially the kitchen staff who coped with the December rush quite well.

We are under pressure to be open to all and we must try and encourage new members.
